GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules.—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule "Law Papers, Accounts and Vouchers, super-scribed and attested by the full signature of the Party sending them as being such, are received, for transmission by Dak, at the rate of Three Sicca Weight as one, i. e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dak when not exceeding Twenty-one Sicca Weight."

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for "Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

NEW LIGHT-HOUSE AT HOBART TOWN.

By the following letter, we find that a new Light house has been erected at the mouth of the Derwent, Van Diemen Land.

"Sir,—I have great pleasure in acquainting you with the establishment of a light house on the Iron pot Island, at the entrance of the Derwent, which will be kept constantly burning from dark till daylight. It is at present a fixed light, and elevated about seventy feet above the level of the sea, bears N. 66° W. from Cape Raoul; N. 16° W. from Cape Frederick Henry, in the island of Bruné, and may be seen five leagues from a vessel's deck.

BONGAY ROCK (above water) OFF CAPE SHARMA COAST OF ARABIA Felix. Latitude about 14° 49' N., longitude 60° 49' E.

Compass Bearings.

The following account of a rock, off Cape Sharma, materially concerns the masters of vessels, making the passage from Mocha to the eastward, as it is usual with them to keep in with the Arabian shore for the purpose of avoiding them from the land-winds.

* We shall be thankful for a sketch of the above light-house from any of our readers.

To the Editor of the Nautical Magazine

DEAR SIR,

Should you consider the following worth a place in your highly valuable and interesting Magazine, you will oblige me by inserting it. I much regret that the loss of my Journal prevents me from giving the exact bearings and distances; but, such as they are, they will be found to be pretty near the mark; and, as the rock in question is not laid down in my chart or mentioned in any book of directions that I have seen, a description of it may be useful to eastern navigators.

I remain, dear Sir

Your most obedient servant,

(Signed) HENRY W. HYLAND.

7, Abchurch Lane, Commercial Road, May 8th, 1834.

In a letter of April 1820, I was in command of the Bombay Merchant ship, and found to the Red Sea, in which about two leagues distant of the centre of the light, which extends in its bearings in a W. & N. direction. Beyond Cape Sharma on the coast of Arabia Felix is a small, much resembling a beaver under submergence, about W. & N. of me, distant 2½ or 3 leagues. It seemed to be 10 or 20 feet high, 1½ or 2 miles in a S. S. W. direction from Cape Sharma, the south eastern extremity of Sharma bay, and I had no breakers near it except immediately at its base. I passed about a league to the southward of it, but on returning against the N. E. monsoon in the same year I worked well up towards the village of Sharma, which lies at the head of the bay, and came to an anchor about five miles and waited there for the land wind, which generally commences at 8 o'clock in the evening, the sea breeze setting in at eleven or half past eleven in the morning. While I lay there I saw the same rock bearing about S. by E. ½ E. distant from me 2½ leagues, and intending to pass to the northward of it, should I have a steady breeze, I went in my boat, and sounded with the hand-lead right across from Cape Sharma to the rock. Close to the Cape I had 4 fathoms, which gradually increased until I was within an oar's length of the rock, in which place I had 10 fathoms, the channel between the two being perfectly safe. On the eastern side of Sharma bay there are several rocks 10 or 15 feet above water on which an immense number of birds roost, some of them resembling the man-of-war bird, and others very much like penguins. Between Cape Bogatshui and Kisseon Point there is an Arab village, the natives of which were very hospitable, furnishing me with water, a little fruit, and grass for my stock, but at Cape Partash they are entirely the reverse; there the people are Bedouins, who live solely by plunder.

"I stretched in with the sea-breeze, and came to an anchor close under the lee of the Cape, in order to wait for the land-wind, but had not been long there, when a large boat full of the Bedouins came on board, under pretence of friendship; at first they wanted me to go on shore, but finding that I resolutely refused, they then wished to get the mate on shore, which, being likewise refused, they tried to get some of the crew to go, but, being again unsuccessful, they were beginning to resort to violence, when by a signal we all seized upon our arms, which were in readiness, and drove them at once overboard. They much wanted to look in the hold, and made several inquiries after dollars. It may be necessary to observe that, although there was not the least sign of a habitation, we soon perceived many signal-fires along the high cliffs which form the coast."

**BANK OF CORAL IN CAPE DIRECTION NORTH EAST COAST
OF AUSTRALIA AND A SUNKEN ROCK IN BASS STRAIT**

Compass Bearings

The following extract of a letter from Capt P. P. King to the N. at Sydney contains an account of a bank of coral in Cape Direction which masters of ships using the Bass Strait should be careful to avoid.

Extract from the Log Book of the Ship York on her passage from Port Jackson, toward Torres Strait by the Inner Route.

"At 11 A.M. passing Cape Direction about three miles distant, the ship grounded (slightly and did not stop) on a bank extending 1 1/2 mile farther from the Cape than is laid down on the most recent charts by Captain King R.N. The N.W. extremity of Cape Direction bearing W. by S. 1/2 S. and the rock to the southward S.S.W. 1/2 W. The bank is of hard coral.

"The above danger is very probably connected with the shore. The York must have struck very close to the edge of the bank since the bottom of the land place her position about half a mile within my trail.

"It may here be remarked, that the coral reefs, which are near, or are connected with the shore, are very much more dangerous to approach than those in the deep, since they slope off gradually, whereas the limits of the latter are plainly distinguished by the coloured water. It may generally be approached within 100 yards without danger.

"The steepness of the off shore reefs may be accounted for by the tidal current which runs round them with considerable strength. I have elsewhere remarked that it is not advisable to anchor within 1/2 of a mile of the reefs, to avoid the current and a greater depth of the water.

"J. PHILIP P. KING, Capt R.N.

"N.B. A sunken rock is said to be located by discovery at the east end of Bass Strait on the west side of Great Island. The bearings on the land being—

South west End of Hummocky Island S. by E. 12 miles
West extreme of Gr. at (14 miles).

Land, a red bluff point East 1 or 2 miles

"The above bearings are supposed to be magnetic.

(Signed) "PHILIP P. KING, Capt R.N.

We are indebted for the following observations to Colonel Wright of Edinburgh.

Compass Bearings

"The above rock usually called by the English the Drunken Sailor and by the Dutch Der Dronke Matroos lies in a direction by compass about west South west from the flag staff of Colombo and distant from a bold projecting rock, usually named the Portuguese Rock on the west shore directly in front of the flag staff about three quarters of a mile. The position of the Drunken Sailor is most dangerous to ships being exactly in their track to the anchorage in the roads of Colombo during the north east monsoon, at which time it may be considered as more so, from the circumstance of the sea not breaking upon it as it does during the south west monsoon. In the latter monsoon, breakers are distinctly seen at intervals, which in general sufficiently mark its position, but even then it is not always visible, as, at times only a small white surge, scarcely discernible, can be perceived to rise over it once in about seven or eight minutes.

"The greatest depth of water which has yet been found over the summit of the rock is about six feet, and the least about three feet and a half, that difference being the rise and fall of the tides, or rather the difference of level in the sea, caused more by strong southerly winds than by the height of the tides, which, at Colombo, do not amount to two feet. The summit of the rock is very small and appears to be of an oval shape of about twenty or thirty feet in circumference, and the sides of it are exceedingly steep and abrupt, the depth of water at a few yards' distance changing from nine feet to twenty five, and a little further off to about nine fathoms, which is the greatest depth of water between the rock and the shore. The rock presents sharp angular points, it is much indented, and full of crevices, from which boats' grapnels, and sounding leads, have been recovered at various times, with much difficulty. From the circumstance of the rock not appearing to increase in magnitude, it is most probably not of the description of coral rock so frequent in the Indian seas.

"A transport with troops, making the road of Colombo in the year 1819, passed within a short distance of it, not aware of the danger, and some years since, a large and valuable East Indianman stood close in shore, and tacked several times close to it, and passed between it and the shore, without being aware that such a rock existed."

BUCKINGHAMSHIRE SHOALS, CHINA SEA Northern, Lat 8° N, Long 114° 55' E, Southern, Lat 8° 30' N, Long 115° 19' E. The Sea breaks on them

Compass Bearings

The following extracts from the log of the East India Company's ship Buckinghamshire, Captain C. Shea, in her passage to Canton, add two more shoals to the vast number by which the eastern part of the China Sea is afflicted—

"Scallop, Nov 4 1833.

"At 10 A.M. (Nov 4 1833,) saw two ridges of breakers from the mast head bearing from N. by E. to N. by W. distant about four or five miles. Observations of the sun and stars, at the time and afterwards, place the centre of the shoal in lat 8° 0' north, long 114° 51' east of Greenwich. This shoal appears to consist of two reefs of rocks, about one mile W. by N. and 1 by S., and half a mile north and south.

"At 11 A.M. on the same day, saw high breakers from the mast head, bearing from N. to N. E., distant ten or eleven miles, two dry white sand banks, with a ridge of rocks running from them to the westward, about two miles in length. By comparing these bearings with the ship's latitude and longitude I consider this sand bank to be in lat 8° 30', long 115° 19' east of Greenwich.

IMBLETON BANK Southern part of Clement Strait Lat 3° 15' S, Long 107° 11' nearly. The Sea breaks on it

Compass Bearings

The following is an account of the discovery of a dangerous shoal in Clement Strait, by the ship York, which navigator will be well to avoid. The situation of it and its extent render it particularly dangerous to vessels passing through the strait at night, and the best way of keeping clear of it is to steer such a course from Saddle Island as will give Shoal Water Island a berth of four or five miles.

Port Louis, 6th October 1833.

"Sir—I beg leave to acquaint you that on my passage up from Singapore, in the York and on passing through the eastern channel of Gaspar Straits, known as Clement Straits, on the 17th of July, 1833, I discovered a very dangerous coral bank level with the water's edge and extending about a mile in circumference, with heavy breakers on it and ten fathoms water within half a mile of its outer or western edge.

"The above bank I have every reason to suppose is new discovery as there is no account of it in any new edition of charts of those seas. The above shoal I consider very dangerous as it lies directly in the run of ships passing through Clement Strait to the westward of Shoal Water Island from which island it bears N.W. N. distant three miles, and from the peak of Saddle Island S. 1/2 E., distance eighteen miles and a half.

"I have to request therefore, that you will make public the existence of this dangerous bank for the benefit of ships navigating those seas. The name I gave the shoal was Imbleton's Bank.

"I have the honor to be, Sir,

"Your most obedient servant,

(Signed) "RICHARD STRATLEY

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules.—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, superscribed and covered by the full signature of the Party sending them as being such, are received, for transmission by Dk, at the rate of Three Sicca Weight as one, i. e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dk when not exceeding Twenty-one Sicca Weight."

"Should covers fail to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

Article of the Convention above referred to. " Article 6.—With regard to the Trade in Opium, it is agreed between the High Contracting Parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned. The requisitions for Opium as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

8. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sale, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character above-mentioned, unless he shall tender at the time a Deposit either in Cash or in Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time herein before-mentioned for making such Deposit as aforesaid, and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium for and on behalf of the said East India Company.

By order of the Board of Customs, Salt and Opium,

Fort William, Genl. Post Office, the 2d Dec. 1834.

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, superscribed and attested by the full signature of the Party sending them as being such, are received, for transmission "by DAK, at the rate of Three Sicca Weight as one, i. e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, "One-third of the Postage to be charged that would be "leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be "transmitted by DAK when not exceeding Twenty-one "Sicca Weight."

"Should covers said to contain the above mentioned "description of Documents, be found to contain Letters, "they will be charged with ten times Full Letter Postage "agreeably to the weight of the Packet, and the Packet "will be retained by the Deputy Post Master until the "Postage be paid; moreover all Letters arriving at the "Post Office for the Sender will be liable to be detained "until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but "where it cannot be satisfactorily ascertained that they "actually do contain Letters, the Deputy Post Master at "the despatching Office will note his suspicions on the "outside of the envelope for the information of the Deputy "Post Master at the Station for which the Packet is "destined, who is empowered in such case to call upon the "receiving party to attend either in person or by proxy, to "open them in his presence, when, in the event of Letters "being found within the cover, he will detain the Packet "and its contents until the difference between the amount "which may have been paid at the time of despatch, as for "Law Papers, &c. only, and that to which under the Penalty, "they would then be liable to, is adjusted. This applies "equally should the suspicion originate with the Deputy "Post Master at the Post Office of the Station where the "Letter is to be delivered."

"Any thing in manuscript beyond the address on the "cover of a Newspaper or other Printed Paper, will subject "the parties concerned to the same Penalty and Conditions "as those provided in the case of covers superscribed as "containing Law Papers."

"Printed or Lithographed Circular Letters are liable to "Full Letter Postage."

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, superscribed and attested by the full signature of the Party sending them as being such, are received, for transmission by Dāk, at the rate of Three Sicca Weight as one, i.e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dāk when not exceeding Twenty-one Sicca Weight"

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

4. The following Papers, together with Samples of the Opium to be sold, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now Advertised for Sale.

No. 2. Report of the Examination of such Opium.

5. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during past Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each Dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

6. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

7. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities of Behar and Benares Opium will be brought to Sale this year at the dates specified, viz.

On the 23d Feb. 1835, Behar and Benares Chests	2,000

On the 23d April, " Ditto " "	3,529
Maximum quantity of Behar and Benares Opium, to be Sold at the Four Sales above-mentioned	Chests 13,029

But it is hereby further notified, that under the 6th Article of the Condition of a Convention between Great Britain and France, dated the 7th March, 1815, quoted below, the Agents of His Most Christian Majesty in India, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale at the Four Sales in the months of January, February, March, and April, there shall be delivered to them at the average of the particular Sale or

Sales to which the Opium so applied for may belong, a quantity not exceeding in aggregate 300 Chests, the Agents of the French Government must make requisition of the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisitions for Opium within the time above-mentioned, the entire quantity of 13,029 Chests of Behar and Benares Opium as above stated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Four Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Governor of the Presidency of Fort William reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity so reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to. " Article 6.—With regard to the Trade in Opium, it is agreed between the High Contracting Parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned. The requisitions for Opium as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

8. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character above-mentioned, unless he shall tender at the time a Deposit either in Cash or in Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time herein before-mentioned for making such Deposit as aforesaid, and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium for and on behalf of the said East India Company.

By order of the Board of Customs, Salt and Opium,

W. R. YOUNG, Secretary.

FORT WILLIAM,

FINANCIAL DEPARTMENT, 10th 27th Oct. 1834.

NOTICE is hereby given, that from and after the 15th November next, the Board of Trade has been empowered and directed to receive Tenders for advances to be made on Goods and Merchandize consigned to England, covered by Bills of Exchange, to be drawn payable to the Hon'ble Court of Directors of the East India Company in London, under the conditions and in the forms following:—

1st.—The parties to whom advances may be made shall agree, that the respective Consignments shall be delivered into the Warehouses of the East India Company, or into such other Warehouses as the Court of Directors may appoint, and that they shall be subject to the management of the Court of Directors, so long as the Court shall continue to manage the Goods of individuals.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of Government, an advance of 2-3ds of such ascertained value will be made.

3d.—For repayment of the advance, Bills of Exchange are to be drawn in triplicate, at six months sight, at the rate of 2s. 2d. per Calcutta Sicca Rupee.

4th.—The parties will be required to place in the hands of the Board of Trade Bills of Lading of the Consignment and Policies of Insurance effected thereon both in triplicate. The Bills of Lading must be drawn, deliverable to the East India Company, or indorsed to order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company as the parties interested.

5th.—In case of default being made, either in acceptance, or payment of the Bills, the Court of Directors are to be authorized in the mode subsequently stated to sell the Goods for the purpose of repaying the Company the amount of the advances made thereon, together with the interest, should any have accrued; the Company, on the other hand, allowing discount when any part of the proceeds shall be realized before the Bills fall due.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills, and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the party, upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent, or in such case, should the Consignor prefer it, the Agency may be wholly withdrawn, and the settlement of either surplus or

deficiency be made with the Consignor himself by the Government from whom he received the advance, at the rates of Exchange, at which the Company may at the time be drawing Bills upon India.

7th.—After the arrival of the Goods in England, and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with any charges which may be due to the Company thereon.

8th.—The rate of Discount to be allowed by the Company shall not be less than £3 per Cent. per Annum.

9th.—Parties receiving advances are to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Board of Trade, signifying their assent to all the foregoing Conditions, but more particularly for the purpose of expressly authorizing the Sale of the Goods, by the Company (without either notice to or concurrence of any person whomsoever) at any period, after default shall be made either in acceptance or payment of the Bills, also authorizing in such cases the repaying to the Company, the advances made either principal or interest, appointing the Agent in England, for each transaction, and signifying the wishes of the parties in the contingency referred to in the Sixth Article.

10th.—Upon the acceptance of any tender of Goods in Security for advances to be made on the above terms, the Goods will be valued by the Export Warehouse-keeper, and for the sum that may be settled as to be advanced thereon, the Board will grant an Order on the General Treasury, payable at 40 days sight.

11th.—The total sum to be advanced on Bills in the present season being limited in amount, the Board of Trade will use their discretion in giving a preference to tenders secured on Goods of a most valuable description, such as Silk and Indigo.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

GENERAL POST OFFICE NOTIFICATION.

Numerous instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets" &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, superscribed and attested by the full signature of the Party sending them as being not received for transmission by Dak, at the rate of Three Sica Weight as one, i.e. any weight not exceeding Three Sica Weight, at Single Letter Postage. For any weight above Three Sica Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dak when not exceeding Twenty-one Sica Weight."

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

FORT WILLIAM,
GENERAL DEPARTMENT,
THE 1ST DECEMBER, 1834.

His Excellency the Right Hon'ble the Governor General of India in Council directs, that the sub-joined Paragraphs, from a Letter No. 35 of 1834, from the Honorable the Court of Directors, in the Military Department, dated the 4th June, be published in the *Government Gazette*, and that the following Rule founded thereon, be established at all the Presidencies of India.

Para. 3. By our Letter of the 9th April 1834, (No. 22) you were informed that we acceded to the recommendation of the Governor General, that Assistant Surgeons at Civil Stations, not drawing more than 300 Rupees a month, should be granted a Conveyance Allowance of Thirty Rupees a month; and we now sanction the further grant of Twenty Rupees a month (as recommended by the Governor General in his Minute of the 31st October 1832) to such Surgeons of Civil Stations as may be appointed Superintendents of Vaccination.

4. We also sanction the several other suggestions forming part of the Governor General's Minute of the 27th June and 31st October 1832, limiting as he has proposed to do, the total expense on account of Vaccination, to Rs. 40,000 per annum.

5. As the suggestions now adopted appear to be generally applicable to the other Presidencies, we desire that after maturing your own plans you will instruct the other Governments to adopt corresponding arrangements in their respective Territories as far as circumstances may render them applicable and necessary.

RULE.

"That from and after the 1st January next ensuing, there shall be allowed to all Assistant Surgeons at Civil Stations, whose total allowances do not exceed 300 Rupees per month, the additional sum of 50 Rupees, viz. 30 Rupees as Conveyance Allowance, and 20 Rupees as compensation for undertaking the duty of superintending and diffusing the practice of Vaccination. The Governor General in Council expects that all Medical Officers drawing higher allowances than above indicated, will gratuitously undertake the duty."

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under their heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo :

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, superscribed and attested by the full signature of the Party sending them as being such, are received, for transmission by Dak, at the rate of Three Sicca Weight as one, i. e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dak when not exceeding Twenty-one Sicca Weight."

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

N. B. Parties applying for the above Packages will be pleased to send Invoices, or Bills, shewing contents and value, and to depute persons to be present at the opening of them at this Office. The Collector has nothing to do with the business of Landing Packages from Ships, nor with forwarding them to their owners, or to their destination.

The fact of Articles being destined for PRIVATE USE, and not for Sale, does not exempt them from payment of Duty, if they be of a kind which is chargeable with Duty under the Regulations.

CUSTOM HOUSE NOTICES.

TO protect from IMPOSITION such Persons as are strangers in Calcutta, and who employ Natives to transact Business for them at this Office, it is notified, that for every sum taken, as Government Customs or Duty, a receipted Bill is given under the signature of the Collector, or of his Deputy, or his Covenanted Assistant.

CLEARANCES, whether Inward or Outward, can be given only in REGULAR TURN, and it is for Commanders, or others on their part, to see that their Applications be duly noted with the date and hour of receipt by the Supervisors respectively. Applications for Outward Clearance (or Export Manifests) cannot be received, unless accompanied by Certificate of Inward Clearance, and it is required that such Applications be presented at least Five complete days previously to the date on which PORT CLEARANCE is desired, in order that time may be allowed for the adjustment of Export Cargoes; though it will be issued earlier if practicable.

NO FEES are taken for any AFFIDAVITS sworn in this Office on the subject of Custom House Business; nor are any FEES whatever allowed to be taken by any Persons belonging to this Establishment, whether sitting within the Office, or stationed out of doors.

Importers of GUNPOWDER, are requested to refer to the Notification, by order of the Board of Customs, dated the 18th, and published in the Government Gazette of 23d January 1823.

The Proprietors of DOCK YARDS, and the PUBLIC at large, are requested to take notice, that no Goods, nor Packages, are allowed to be IMPORTED, EXPORTED, RE-LANDED, RE-SHIPED, TRANSHIPPED, or removed from VESSELS to SLOOPS or BOATS after Shipment, without due sanction from this Office;—whether the same be liable to, or exempt from, DUTY. Attention is directed to Clause Seventh, Section XLV. to Sections LXI. LXIV. LXXIV. LXXXII. LXXXIII. & LXXXIV. of Regulation IX. 1810; and to Section III. of Regulation III. of 1830;—also to Clauses IV. and V. of the Government Notification of 28th June 1822, for Conditions of certain exemptions.—[20th March 1830.]

GOODS for ONE VESSEL taken to ANOTHER.—Notice is hereby given, that if Goods passed through this Office for a specified Vessel, be taken, directly or indirectly, and put on board of any Vessel other than that for which the said Goods have been passed through the Forms of this Office, no Drawbacks, nor Certificates for other Freshencies, will be granted. And if such Goods be seized in

illegal transit to, or when alongside of, a Vessel other than that for which they have been passed through this Office, they will be liable to eventual confiscation under Section III. Regulation III. of 1830.

If GOODS which have been passed for a specified Vessel, cannot, for whatever reason, be taken on board that Vessel, and are fairly brought back to the Custom House for RE-LAND, and subsequent RE-EXPORT to the same Vessel, or to any other, or for regular Transshipment, every facility will, as usual, be afforded for such transactions.—[25th September 1832.]

ROWANAHS for GOODS RE-LANDED.—If Goods are Exported in full of Rowanahs then current; but are Re-landed, and not subsequently Re-exported until after the Rowanahs are time-expired, then such Goods are considered as Fresh Exports, are treated as if they had never been protected by Rowanahs, and Duty is taken if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications, (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as Fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portion of Goods being Re-landed, no such Certificates as those above described will be issued.—[24th February 1833.]

BEBEE ROSS GHAT.—Notice is hereby given, that for some years past, Bebee Ross's Ghat has ceased to be a Tide Waiter's station, though an Officer is sent thither at a particular season of the year for purposes chiefly relating to certain Articles imported on board NATIVE VESSELS;—and that Parties who may desire to pass Goods at that Ghat will be required, if permission be granted, to pay for an Extra Tide Waiter, as a condition understood and implied in their Applications, upon the principle which is generally applicable to the passing of Goods elsewhere than at the Custom House.—[23d February 1833.]

MAFFER ROWANAHS.—All Persons concerned are requested to take notice of the subjoined Orders, as published in the Government Gazette of April 1831, otherwise the delay and inconvenience which may be experienced will rest upon themselves.

Samples of the Goods must be produced at this Office, and the No. and Date of Sea Import Register must be stated if possible. But by Order of the Board of Customs, dated 2d April 1833, to obtain Maffer Rowanahs for Goods of such sorts as are produced in this country, (and then are liable to Transit Duty) as well as Imported by Sea, either Sea Import No. and Date must be given, or whole Despatches must be produced for inspection at the Custom House;—otherwise Transit Duty will be charged.

All applications for MAFFER ROWANAHS, must communicate the following particulars.—1st. The general or common name of each variety, or quality of Goods.—2d. The quantity and value of each description.—3d. The sort of packages in which the Goods are contained, with the marks or directions upon them.—4th. The number of each sort of package.—[8th April 1833.]

SUBJECT TO THE FOLLOWING CONDITIONS OF SALE.

2. The Opium shall be sold by the Chest, and in Lots of Five Chests each, and One Rupee shall be paid down to bind the Bargain, and a Deposit shall be made of Thirty per Cent. on the Price of each Lot, either in Money or in Public Securities of the said East India Company by the Purchaser or Purchasers thereof, before the expiration of Ten days next after the day of Sale, unless a longer period shall be allowed for the purpose by the Board of Customs, Salt and Opium at Calcutta, and in default of making such Deposit within the time and at the rate aforesaid, and provided a longer period shall not have been allowed by the Board, the Lot or Lots for the price of which such Deposit shall not have been made as aforesaid, shall be Re-sold after such Notice, and at such time or times as the Board may determine, for Ready Money, and all Losses and Expenses that may attend such Re-sale, shall be borne and paid by the first Purchaser or Purchasers, who shall have made default as aforesaid, and any Profit that may be derived from such Re-sale, shall belong to the said East India Company.

3. The Opium shall be paid for within Three Calendar Months from the day of Sale, and in case any such Opium shall not be paid for on or before the time last mentioned, the Deposit of Thirty per Cent. and the Earnest Money respectively before mentioned, shall be forfeited to the said East India Company, and the Opium shall, after such forfeiture, be disposed of on account of the said East India Company, at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the Proceeds of such Re-sale shall belong to the said East India Company.

4. The following Papers, together with Samples of the Opium to be sold, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now Advertised for Sale.

No. 2. Report of the Examination of such Opium.

5. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the Current Year, the same precautions have been taken as those which have been observed during past Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake.—The Instructions issued to the Agents relative to the Provision of the said Opium, together with an account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each Dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

6. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shown to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

7. The Public are hereby informed, that in addition to the quantity above-mentioned, the following quantities of Behar and Benares Opium will be brought to Sale this year at the dates specified, viz.

On the 23d Feb. 1835, Behar and Benares Chests	2,000
On the 23d March, " Ditto " "	2,500
On the 23d April, " Ditto " "	3,529
Maximum quantity of Behar and Benares Opium, to be Sold at the Four Sales above-mentioned	Chests 13,029

But it is hereby further notified, that under the 6th Article of the Condition of a Convention between Great Britain and France, dated the 7th March, 1815, quoted below, the Agents of His Most Christian Majesty in India, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared above for Sale at the Four Sales in the months of January, February, March, and April, there shall be delivered to them at the average of the particular Sale or

Sales to which the Opium so applied for may belong, a quantity not exceeding in aggregate 300 Chests, the Agents of the French Government must make requisition of the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisitions for Opium within the time above-mentioned, the entire quantity of 13,029 Chests of Behar and Benares Opium as above stated, will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Four Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Governor of the Presidency of Fort William reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity so reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

Article of the Convention above referred to. " Article 6.—With regard to the Trade in Opium, it is agreed between the High Contracting Parties, that at each of the periodical Sales of that Article, there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for, shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned. The requisitions for Opium as aforesaid, are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

8. Considerable loss and inconvenience having resulted from persons not of known credit being suffered to bid at the Opium Sales, the Public are hereby apprized that the Superintendent of the Sale has been empowered to reject the bid of any individual of the character above-mentioned, unless he shall tender at the time a Deposit either in Cash or in Company's Securities as aforesaid, equal to Ten per Cent. on the amount of the Lot or Lots which he may offer to purchase, and the last mentioned sum shall afterwards be completed to Thirty per Cent. at or before the time herein before-mentioned for making such Deposit as aforesaid, and it is hereby stipulated that such sum of Ten per Cent. shall be forfeited to the East India Company, provided the same shall not be completed to Thirty per Cent. within Ten days next after the day of such Sale, and that the Opium for which such Deposit of Ten per Cent. may have been made, shall be sold under the directions of the Board of Customs, Salt and Opium for and on behalf of the said East India Company.

By order of the Board of Customs, Salt and Opium,

W. R. YOUNG, Secretary.

NOTICE is hereby given, that a Packet is now open for Letters for transmission to Moulmelyn, by H. M. S. *Corona*, which will be closed on the Evening of the 17th instant.

Wm. MOORE, *Deputy Post Master.*

Fort William, General Post Office, the 12th December, 1834.

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo.

In order that all persons making their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets" &c with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter or Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule "Law Papers, Accounts and Vouchers, superscribed and attested by the full signature of the Party sending them as being such, are received, for transmission by Dak, at the rate of Three Sicca Weight as one, i.e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dak when not exceeding Twenty-one Sicca Weight."

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid, moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c only, and that to which under the Penalty they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject

"the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

FORT WILLIAM,
SEPARATE DEPARTMENT,
THE 26TH OCTOBER, 1833.

NOTICE is hereby given, that the Rules sanctioned in the year 1818 and modified in 1828 for Bonding the Inland Duty on Indigo, are rescinded.

Collectors of Customs in the Provinces are hereby authorized to comply with Applications, for Free Passes to cover Indigo, under consignment to Calcutta, in quantities of not less than One Hundred Maunds.

The Rowanahs issued under this authority will specify the quantity of Indigo for which the Pass is granted, the place of consignment, the route by which the dispatch will be conveyed, and the District where it was manufactured.

In respect to Indigo imported into Calcutta under cover of a Pass as above provided for, the Collector of Sea Customs is hereby authorized to levy the Transit Duty at the time of Exportation by Sea in those cases in which the Duty would have not been returnable in Drawback according to the present Regulations if it had been paid at a Custom House in the Provinces.

By Order of His Excellency the Right Honorable the Governor General in Council,

G. A. BRUSHBY. Offr. Secy. to Govt.

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the indulgence granted to the Senders of "Law Papers," "Accounts and Vouchers" and "Pamphlets" and "Printed Papers" at a rate of Postage equal to only One-third of Letter Postage, has been grossly abused, the Honorable the Vice President in Council has directed that henceforth the following Rules and Penalties shall be put in force in the place of the Rules now existing under these heads, and notice is accordingly given that they will be strictly enforced from the 1st proximo:

In order that all persons marking their papers with the words "Law Papers," "Accounts," "Vouchers," "Pamphlets," &c. with the view of passing them through the Post Office at the rates of Postage provided for such despatches, may be fully aware of the extent of their liabilities under these Rules,—Notice is hereby given, that any Letter, Note or Writing whatever, except the "Law Papers," "Accounts and Vouchers," &c. themselves, being enclosed in a cover so marked, will bring the Sender or Receiver, as the case may be, under the influence of these Rules, and in like manner any manuscript whatever or any other thing which may be enclosed in a Packet marked Pamphlet, Printed Papers, Newspapers, &c. or in any Packet delivered as such and at the Postage rates prescribed for such despatches, whether marked or not, will render the Sender or Receiver, as the case may be, liable to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, super-scribed and attested by the full signature of the Party sending them as being such, are received, for transmission by Dak, at the rate of Three Sicca Weight as one, i. e. any weight not exceeding Three Sicca Weight, at Single Letter Postage. For any weight above Three Sicca Weight, One-third of the Postage to be charged that would be leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be transmitted by Dak when not exceeding Twenty-one "Sicca Weight."

"Should covers said to contain the above mentioned description of Documents, be found to contain Letters, they will be charged with ten times Full Letter Postage agreeably to the weight of the Packet, and the Packet will be retained by the Deputy Post Master until the Postage be paid; moreover all Letters arriving at the Post Office for the Sender will be liable to be detained until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but where it cannot be satisfactorily ascertained that they actually do contain Letters, the Deputy Post Master at the despatching Office will note his suspicions on the outside of the envelope for the information of the Deputy Post Master at the Station for which the Packet is destined, who is empowered in such case to call upon the receiving party to attend either in person or by proxy, to open them in his presence, when, in the event of Letters being found within the cover, he will detain the Packet and its contents until the difference between the amount which may have been paid at the time of despatch, as for Law Papers, &c. only, and that to which under the Penalty, they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject

"the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."
"Printed or Lithographed Circular Letters are liable to Full Letter Postage."

SECOND SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

WEDNESDAY, DECEMBER 24, 1834.

PROCLAMATION.

The Negotiations with the Native Powers concerned, relative to the Indus, having been brought to satisfactory issue, it is hereby notified that the Navigation of that River has been re-opened.

Under the arrangements which have been concluded, the interference of the British Government with the Navigation will be confined to that portion of the Indus which is below its junction with the Sutledge and to the Sutledge from such junction to the Hills.

Merchant Boats following the above line of Navigation, whatever be their size or the nature of their Cargo, will be liable to a toll of Five Hundred and Seventy Rupees, between the Indian Ocean and the Himalaya Mountains.

On Boats proceeding up the stream Two Hundred and Forty Rupees of the above mentioned sum will be leviable at that mouth of the Indus where the British Agent is stationed, and the remainder at the grand junction of the Rivers at Mithenkot; and on Boats proceeding down the stream, Three Hundred and Thirty Rupees will be leviable at Hurreekce where the Sutledge unites with the Beya, and the remainder at that mouth of the Indus where the British Agent is stationed.

Boats will not be liable to any charges besides the above on the line of Navigation abovementioned, but Goods passing by land, or on the Indus above the junction, or on the Rivers of the Punjab, except the Sutledge, will be subject to the usual local duties payable to the Native States through whose Territories they may happen to be passing.

The superintendence of the line of Navigation below the grand junction will, for the present, be under the general superintendence of Colonel Pottinger, Governor General's Agent for the Affairs of Sindh, and above the junction it will be under that of Captain Wade, Political Agent at Loodiana; and, besides these, a British Officer (Lieut. Mackeson) will be stationed at the grand junction (Mithenkot) and Native Agents at Hurreekce, at Hyderabad (Sindh), and at one of the mouths of the Indus. Applications for passports are to be made to Colonel Pottinger, Lieutenant Mackeson, or Captain Wade.

The following is a copy of the Supplementary Treaty for the Settlement of the Toll lately concluded with the Ameers of Sindh; and those concluded with Maharaja Runjeet Sing and Nawab Behawal Khan will also shortly be published.

By Order of His Excellency the Right Hon'ble the Governor General of India in Council,

W. H. MACNAGHTEN,

Secy. to Govt. of India.

Fort William, the 23d Dec., 1834.

Commercial Treaty between the Honorable East India Company and the Government of Hyderabad in Sindh.

Whereas in the 1st Article of the Supplemental Treaty concluded between the Honorable East India Company and the Government of Hyderabad on the 22d day of April 1832, corresponding with 20th of Zilkad 1247, Hijree, it was stipulated that the Government of Hyderabad was to furnish the British Government with a statement of Duties, &c., and "after that the Officers of the British Government who are versed in affairs of Traffic will examine the said statement should the statement seem to them to be fair and equitable, and agreeable to custom it will be brought into operation, and will be confirmed, but should it appear too high His Highness Meer Moorad Ali Khan on hearing from the British Government to this effect through Colonel Pottinger, will reduce the said duties." Now according to the terms of the above stipulation the Contracting States having made due enquiry hereby enter into the following Agreement:

ARTICLE I.

In lieu of a duty on Goods proceeding up or down the River Indus in virtue of the Vth Article of the perpetual Treaty of Hyderabad, there shall be levied on the Rivers between the Sea and Roopur, a Toll on each Boat of Nineteen Tutta Rupees per Tutta Khurra, of which amount Eight Rupees shall be receivable by the Government of Hyderabad and Khayrpour and Eleven Rupees by the other States possessing dominions on the banks of the Rivers, namely, His Highness Bahawal Khan, Maharajah Runjeet Sing, the Honorable the East India Company.

ARTICLE II.

To obviate any cause whatever of trouble or inconvenience to Traders and Merchants during their progress, and also to prevent disputes and doubts and consequent altercation and delay touching the size of Boats, the Toll is fixed on Thirty Tutta Khurra. Be a Boat large or small, she will pay Toll according to this, and whether she measures five Khurra or One Hundred Khurra she will be reckoned as one of Thirty.

ARTICLE III.

The portion of the Toll above described appertaining to Sindh, and amounting to Two Hundred and Forty Tutta Rupees on each Boat, shall be levied at the Bunder or Port at the mouth of the River where the Cargoes are transferred from the River to the Sea Boats, and vice versa, and divided as the Governments of Hyderabad and Khayrpour may think best.

ARTICLE IV.

For the purpose of assisting in the realization of the Toll due to Sindh, also in the speedy and satisfactory adjustment of disputes which may happen to occur amongst the Merchants, Boatmen, and others

on the questions of hire, &c., as well as with a view to the preservation and augmentation of the amicable relations which happily subsist between the States, it is settled that a British Agent, (who shall not be a European Gentleman) under the authority of Lieutenant Colonel Henry Pottinger, Agent to the Governor General of India for the Affairs of Sinde, shall reside at the Bunder or Port at the mouth of the River where Cargoes are transferred from one description of Boat to another, and the British Government binds itself that the said Agent shall neither engage in trade, nor interfere in any way with the fiscal or other affairs of the Sinde Government. It is further settled, that when occasion connected with this Treaty may render it advisable, the Governor General's Agent for the Affairs of Sinde, shall have the power of deputing one of his Assistants to the above described Bunder or Port to settle any discussions that may have arisen, after doing which, he is to return to Booj.

ARTICLE V.

For the more perfect fulfilment of this Treaty, it is hereby distinctly stipulated, that should any portion, however small or great, or of whatever description of the Merchandize or Goods on board any

boat passing up or down the River, be landed for sale by a Merchant or Merchants, such portion of Merchandize or Goods whatever may be its quantity or quality, shall instantly become subject to the existing local duties as levied by the respective Governments within their own Territories, the purpose of the Toll agreed to by this Treaty being, not to supercede or set aside the established dues of the different States, but to repay the expence to which the Governments will necessarily be subjected in affording the customary protection to the Trade in Transit on the River. It will be perfectly understood from this Vth Article, that the Governments have no claim to Duties on Merchandize merely passing up or down the River, and that the Toll is all that is to be demanded, but should any portion, however small or large of Goods be landed and sold, then the usual duties will be levied.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 17TH DECEMBER, 1834.

His Excellency the Right Hon'ble the Governor General of India in Council is pleased to order the following Resolution to be published for general information:

RESOLVED,—That for the conduct of the Departments of Account under the Government of Agra there be established an Accountant's Office at Allahabad, with which shall be combined the duties of the present Superintendent of Resources in the Western Provinces, and all the details at present conducted for those Provinces by the Accountant in the Revenue and Judicial Departments and in the Department of Customs at the Presidency.

That the Officer placed at the head of this Office be denominated the Accountant of the Agra Presidency, that he be allowed a Salary of 3,000 per mensem, and that there be attached to the Office a Deputy on a Salary of 1,500 per mensem, the nomination and appointment to both Offices to be in the Governor of Agra.

That the Office of Superintendent of Resources in the Western Provinces be abolished; and that the Records and Accounts, with the Establishment now entertained therein, be transferred to the Accountant's Office at Allahabad.

That the Deputy Accountant be also Civil Auditor for the Agra Presidency, and that all charges in the Revenue, Judicial and Customs Department, and the charges of all other Officers subject to the orders and authority of the Governor of Agra, be submitted to the audit of the Deputy Accountant and Auditor at Allahabad;—the disbursements of Political Officers, Chaplains and others not yet transferred to the control of the Governor of Agra, will be audited, as heretofore, at the Presidency.

That the Accounts of all Officers of the Presidency of Agra be adjusted and made up in the Office of the Accountant at Allahabad, in like manner as the Accounts of the Madras and Bombay Governments are adjusted at those Presidencies respectively. The transactions of Agra with the Bengal Presidency will all pass through the Offices of the respective Accountants at the seats of Government.

That there be transferred to the Offices of Account and Audit for the Agra Presidency such part of the Establishments of the Offices of Account and Audit at the Presidency as may be possible under the relief afforded by the removal of these branches of the existing business. It is expected that the Establishment so transferred, added to that of the Office of Superintendent of Resources, will suffice for the new Offices at Allahabad without incurring much further charge on this account.

That the following arrangement of duties and modification in other respects be made of the Offices of Account at the Presidency of Fort William so as to admit of the abolition of one substantial appointment in diminution of the expence attending the above arrangements.

That the Accountant General conduct in person the duties of Military Accountant, and the Deputy Accountant General be Accountant to the Revenue, Judicial, Salt, Opium, Marine and Commercial Departments.

That the Civil Auditor's Office at the Presidency continue on its present footing—it will be the duty of this Officer to Audit the Civil Charges of all Departments and of all Officers subject to the direct control of the Supreme Government equally with the charges of Officers subject to the Government of Bengal.

GENERAL POST OFFICE NOTIFICATION.

NUMEROUS instances having occurred in which the
indulgence granted to the Senders of "Law Papers,"
"Accounts and Vouchers" and "Pamphlets" and "Printed
Papers" at a rate of Postage equal to only One-third of
Letter Postage, has been grossly abused, the Honorable
the Vice President in Council has directed that henceforth
the following Rules and Penalties shall be put in force in
the place of the Rules now existing under these heads, and
notice is accordingly given that they will be strictly
enforced from the 1st proximo:

In order that all persons marking their papers with
the words "Law Papers," "Accounts," "Vouchers,"
"Pamphlets," &c. with the view of passing them through
the Post Office at the rates of Postage provided for such
despatches, may be fully aware of the extent of their
liabilities under these Rules,—Notice is hereby given, that
any Letter, Note or Writing whatever, except the "Law
Papers," "Accounts and Vouchers," &c. themselves, being
enclosed in a cover so marked, will bring the Sender or
Receiver, as the case may be, under the influence of these
Rules, and in like manner any manuscript whatever or any
other thing which may be enclosed in a Packet marked
Pamphlet, Printed Papers, Newspapers, &c. or in any
Packet delivered as such and at the Postage rates pre-
scribed for such despatches, whether marked or not, will
render the Sender or Receiver, as the case may be, liable
to the Penalties.

Rule. "Law Papers, Accounts and Vouchers, super-
scribed and attested by the full signature of the Party
sending them as being such, are received, for transmission
"by Dak, at the rate of Three Sicca Weight as one, i. e. any
"weight not exceeding Three Sicca Weight, at Single Letter
"Postage. For any weight above Three Sicca Weight,
"One-third of the Postage to be charged that would be
"leviable on a Letter of the same weight."

"Law Papers, Accounts, and Vouchers can only be
"transmitted by Dak when not exceeding Twenty-one
"Sicca Weight."

"Should covers said to contain the above mentioned
"description of Documents, be found to contain Letters,
"they will be charged with ten times Full Letter Postage
"agreeably to the weight of the Packet, and the Packet
"will be retained by the Deputy Post Master until the
"Postage be paid; moreover all Letters arriving at the
"Post Office for the Sender will be liable to be detained
"until the Postage under the Penalty, be liquidated."

"In cases where suspicion attaches to such covers, but
"where it cannot be satisfactorily ascertained that they
"actually do contain Letters, the Deputy Post Master at
"the despatching Office will note his suspicions on the
"outside of the envelope for the information of the Deputy
"Post Master at the Station for which the Packet is
"destined, who is empowered in such case to call upon the
"receiving party to attend either in person or by proxy, to
"open them in his presence, when, in the event of Letters
"being found within the cover, he will detain the Packet
"and its contents until the difference between the amount
"which may have been paid at the time of despatch, as for
"Law Papers, &c. only, and that to which under the Penalty,

"they would then be liable to, is adjusted. This applies equally should the suspicion originate with the Deputy Post Master at the Post Office of the Station where the Letter is to be delivered."

"Any thing in manuscript beyond the address on the cover of a Newspaper or other Printed Paper, will subject the parties concerned to the same Penalty and Conditions as those provided in the case of covers superscribed as containing Law Papers."

"Printed or Lithographed Circular Letters are liable to Full Letter Postage."
